

MINNESOTA FFA FOUNDATION PRESENTS THE James W. Tracy Scholarship

James "Jim" Tracy was born in 1941. He grew up on a farm near Northfield, Minnesota. During his childhood, James was an active FFA and 4-H member. After graduating from high school, Jim served two years

in the U.S. Marine Corps. Besides

being a lifelong member of his church, he was an active member in the Lions Club. Jim was a generous man who donated to many causes including his church, Children's Hospitals, Wounded Warrior's Project and the Marine Scholarship Fund. Most of these contributions were anonymous.

Jim had a deep love for the land and farming. He farmed his land until he lost his battle with illness in 2014. But Jim's story doesn't end there, his desire to support youth in agriculture lead him to donate his farm to an organization that he admired most, the FFA.

The Minnesota FFA Foundation is pleased to bring life to James Tracy's dream of providing scholarships to youth involved in agriculture. Generations of young people will benefit from this donation as the funds will be used to support youth through agricultural scholarships.
